“ *My condolences to the family in the loss of your dear loved one. Losing a loved one in death is one of the most difficult things that can happen. But be assured that our creator, Jehovah God understand how you feel. There are scriptures that can soothe and comfort those who need comfort. Psalm 34:18 says; Jehovah is close to the brokenhearted; He saves those who are crushed in spirit. Also the promise at Isaiah 25:8; He will swallow up death forever. And the Sovereign Lord Jehovah will wipe away the tears from all faces. If you would like to know more about this promise, please visit our website: jw.org and view the comforting video; *Is There Hope for the Dead?* Click publications then videos.*
